

The Blessing

The Good Word

We are blessed.

We are loved by the Father,
saved by the Son
and filled with the Holy Spirit.

We continue the flow of Jesus' life
by loving God and serving others.

In Christ we find forgiveness, fulfillment, and family.
In Christ we find fearlessness and fortitude.

We can do all things through Christ who gives us strength.
We are blessed so that we can bless others.

WEEK 5

October 31, 2021

Continue the Flow

Jesus promised that when the Spirit came, we would accomplish greater works than He had done during His earthly ministry. Do you see yourself as an extension of His life-giving work?

Scripture Reflection: Psalm 1; John 7:37-39; John 20:19-23

Where are there barren lands or thirsty people around you? Pray that God would flow into those situations through you.

Which is more difficult for you—loving God or serving others?

Look for an opportunity this week to stretch in that area. Are there clogs in the flow that need to be addressed?

Reflect on how God answered your prayer above. Did you recognize new opportunities? Did you see Him working in you or through you?
