

The Blessing

The Good Word

We are blessed.

We are loved by the Father,
saved by the Son
and filled with the Holy Spirit.

We continue the flow of Jesus' life
by loving God and serving others.

In Christ we find forgiveness, fulfillment, and family.
In Christ we find fearlessness and fortitude.

We can do all things through Christ who gives us strength.
We are blessed so that we can bless others.

Loved by the Father

Parents are the very first paradigm by which we view our world. That relationship becomes the foundation for everything we learn, believe, and do. What happens when we intentionally shift our focus to God as the foundation of all things?

Sermon in a sentence:

Scripture Reflection: 1 John 4; 1 Corinthians 13

Describe a time when you felt God's love strongly.

Considering your family of origin, is the picture of God as a Father a positive one for you? What can you learn about God the Father looking at your own family experiences?

What is one thing you worry about? How might trusting in God's love for you cast out that fear? Whisper a prayer thanking God for His love and trusting Him to evict your anxiety.
